Dear Ron:

We learned about Bend Tarp and Liner through a colleague. I want you to know how impressed I am with you and your product, from our very first conversation to the installation of the lining on our #12 hole.

I was amazed at how quickly you were able to ship the product once you received our lake dimensions, and how quickly the liner was seamed together once it was laid out in the lake.

I will highly recommend Bend Tarp and Liner to anyone who is considering installing a lake liner.

Thanks for all your help.

Sincerely,

ROSS J O'FEE, CGCS
